**Millions of Mothers: Castoria destroys Worms and allays Feverishness. Castoria prevents vomiting Sour Curd, cures Diarrhoea and Wind Colic. **Castoria.**

"Castoria is an excellent medicine for children. Mothers have repeatedly told me of its good effect upon their children."

Dr. G. C. OSOON,  
Lowell, Mass.

"Castoria is the best remedy for children of which I am acquainted. I hope the day is not far distant when mothers will consider the real interests of their children, and use Castoria instead of the various quack medicines which are destroying their loved ones, by forcing opium, morphine, soothing syrup and other harmful agents down their throats, thereby sending some to premature graves."

Dr. J. F. KINCHELOE,  
Conway, Ark.

**Castoria.**

"Castoria is so well adapted to children that I recommend it as superior to any prescription known to me."

H. A. ANDERSON, M. D.,  
111 So. Oxford St., Brooklyn, N. Y.

"Our physicians in the children's department have spoken highly of their experience in their outside practice with Castoria, and although we only have among our medical supplies what is known as regular products, yet we are free to confess that the merits of Castoria have won us to look with favor upon it."
